EAST COAST ROCK ROBSTER REGULATIONS

- Recreational fishing permits must be endorsed for East Coast Rock Lobster.
- Only eight East Coast Rock Lobster can be collected by a permit holder a day; or be in possession of more than eight at any one time.
- No person is allowed to collect East Coast Rock Lobster during the closed season.
- No person is allowed to collect East Coast Rock Lobster which is in berry.
- No person shall engage in fishing, collect, disturb or be in possession of any East Coast Rock Lobster of which the carapace is less than 65mm in length measured along its mid dorsal line from the centre edge which connects the two enlarged anterior spines to the middle of its posterior edge.
- In the absence of the carapace, no person shall be in possession of East Coast Rock Lobster which the second segment of the tail, counted from the junction of the tail with the body, is less than 22mm measured along the mid-dorsal line between its front and rear edges.
- No person shall engage fishing, collecting or disturbing any East Coast Rock Lobster with the use of a vessel.
- No person shall engage fishing or collecting East Coast Rock Lobster with a trap other than a flat circular trap with no sides and of which the diameter does not exceed 30 cm; or by means of baited hooks.
