

BORDER DEEP SEA ANGLING ASSOCIATION

7 Riverview Place, Beacon Bay, 5241
(AFFILIATED TO SOUTH AFRICAN DEEP SEA ANGLING ASSOCIATION)

Date: 26.05.2023

To all BDSAA associated Clubs and Anglers

Re: ROAD TO BORDER COLOURS MEN AND LADIES SENIORS

1. The angler must belong to an affiliated club of BDSAA
2. The angler must be affiliated with SADSAA
3. Qualification required
 - 3.1 Angler must compete in two Interclubs or
 - 3.2 Angler must compete in one Interclub and one BDSAA Championship
 - 3.3 Angler will complete the BDSAA nomination form and have it signed by the relevant club Chairman and sign that information is true and correct. Ensure that the nomination fee or proof of payment is attached to the completed form.
 - 3.4 Angler needs to compete in two Interprovincial tournaments under BDSAA colours in the facet that the anglers wants to nominate in. Where half colours are awarded.
- 4 Once the angler has been selected and taken part in the two Interprovincial tournaments under BDSAA colours, the angler is then eligible to nominate to represent BDSAA at a national tournament.
5. Full colours will be awarded once angler has been selected for a National tournament.
6. Angler needs to represent BDSAA in 3 National tournaments to apply for selection for SADSAA colours.
- 6.1 This needs to be a minimum of two in the facet the angler is nominating in and one other facet. All three tournaments may be in the same facet.

Remember that the angler needs to remain in good standing with their relevant club and BDSAA. Any transgressions may prevent or slow down the process to colours.

Nb. The angler must read and take note of the road to Protea colours as they will need to know what they require to achieve this level.

Please ensure that you circulate the requirements to your members so that we can start getting more anglers putting their names forward for nomination.

Should you or any of your members require more information or assistance please do not hesitate to contact myself, Allen Ford (SADSAA and BDSAA selector) or any of your other BDSAA selectors.

Kind Regards

Allen Ford
SADSAA selector
BDSAA selector
